\*Skim or 1% is given to children age 2 or older and whole milk is served to children under 2 with breakfast and lunch. Children always have the option of water throughout the day and especially at snack. \*All bread that is served during meals is 100% whole grain wheat \*Infant and toddlers will not have the following items: berries, candies, raisins, corn kernels, raw carrots, whole grapes, hot dogs, nuts, seeds, popcorn, raw peas or peanut butter, as these foods may cause choking and the use of honey. If listed on the menu, we will give these students a different food item. \*Cooked carrots, corn, peas and bananas may be served to infants only if mashed, grated or pureed.
